Amna Bashir

Architect

Lahore, Pakistan · ar.amnabashir@gmail.com · https://amnabashir-94.github.io/ · https://www.linkedin.com/in/amna-bashir-9ab312103/

PROFESSIONAL SUMMARY

Architect with public- and private-sector experience in Lahore: Assistant Director Architecture in the Punjab Architecture Department since 2022, designing and managing public building projects and overseeing their construction, after three years leading client projects from design to completion at a design-and-build interiors firm. Gold medallist in the Bachelor of Architecture (CGPA 3.67), former visiting lecturer in architectural design, and M.Arch researcher on how Lahore's public spaces serve the people who use them. Works in AutoCAD, Revit, SketchUp, Photoshop and Illustrator.

PROFESSIONAL EXPERIENCE

Assistant Director Architecture (CAD)

Punjab Architecture Department, Communication & Works Department, Government of Punjab · Lahore, Pakistan · Mar 2022 – Present

- Design and manage public building projects for the Government of Punjab, ensuring compliance with building regulations and government standards.
- Coordinate with stakeholders and oversee construction on site, keeping public projects to standard through to completion.
- Uphold standards for sustainable, functional architecture in community and government infrastructure projects.

Visiting Lecturer

Department of Architecture, Lahore College for Women University · Lahore, Pakistan · Aug 2019 – Feb 2022

- Taught architectural design courses, bringing current practice into the studio alongside full-time work as an architect.
- Mentored aspiring architects and contributed to curriculum development in the department.

Architect

Kazmain Design & Interior Contractors · Lahore, Pakistan · Mar 2019 – Feb 2022

- Led design projects for private clients, developing customised architectural and interior solutions to each client's brief.
- Managed construction processes and timelines, delivering spaces to the client's vision and to industry standards.

Architecture Intern

Allied Engineering Consultants · Lahore, Pakistan · Aug 2016 – Sep 2016

- Worked across building planning, interior and landscape design, drafting and 3D illustration, including on university campuses under construction.
- Prepared mood boards, sample boards and presentations for client proposals.

Architecture Intern

UNICON Consulting Service · Lahore, Pakistan · Aug 2015 – Sep 2015

- Carried out project research, data collection and conceptual design for residential projects.
- Detailed residential buildings, preparing complete sets of submission and working drawings.

SELECTED PROJECTS

- **Implications of COVID-19 Pandemic on Behavioural Patterns of Users of Public Spaces in Lahore** — Urban research, Public space, Lahore, Pakistan, 2025. Role: Sole researcher and author.

EDUCATION
